HON'BLE SHRI G.S.SINGHVI, THE CHIEF JUSTICE

WRIT PETITION No.21013 OF 2000

Between:

Ch. Satyanarayan @ Sathaiah and four others

… Petitioners

AND

The A.P. TRANSCO, rep., by its Chairman & Managing Director, Vidyutsoudha, Hyderabad and another

… Respondents

:: O R D E R ::

Counsel for the petitioners : Smt. A. Savitha Reddy

Counsel for the respondents : Shri Samineni Kishroe

March 21, 2007

In this petition, the petitioners have prayed for quashing the rejection of their claim for appointment as Junior Linemen and also for issue of a mandamus to the respondents to appoint them on that post in accordance with the policy contained in B.P.Ms.No.36, dated 18-5-1997 and other instructions issued by the erstwhile Andhra Pradesh State Electricity Board (for short, 'the Board').

In paragraphs 2 and 3 of his affidavit, petitioner No.1

Shri Ch. Satyanarayana @ Sathaiah has averred as under:

> 2. It is submitted that the petitioners herein have been working as contract labour in the then APSEB since from their initial appointment i.e the 1st petitioner w.e.f. August, 1990, 2nd petitioner from 1-10-91, 3rd petitioner from 1989, 4th petitioner w.e.f. 2-2-91 and 5th petitoner w.e.f. 1-9-90 and while they were working so the contact labour system was abolished in identified 33 categories and the contract labour who ever have been working as on today are entitled for absorption and for that purpose, the then APSEB issued B.P.Ms.No.37, dated 18-5-97 and with regard to who are not covered within the abolished categories were directed to be considered for absorption against the 50% of the existing vacancies as on 18-5-97 vide B.P.Ms.No.36.
>
> 3. It is submitted that the vacancies existing as on the above said date were large in number but the respondents have restricted the benefit of consideration only to those who ever have been obtained court orders and as such batch of writ petitions were filed wherein directions were given for interviewing all the eligible candidates without reference to obtaining court orders as such the petitioners were called for interview in pursuance of the order given in W.P. No.12592/99, dated 16-9-99 and even though there are clear existing vacancies, the cases of the petitioners were rejected vide impugned letter No. SE/O/MIK/PO/ Adm/C2/D.No.3036/99, dated 10-11-99 and Letter No.SE/O/MIK/PO/Adm/C2/D.No.3036/99, dated 4-11-99 with a reason that as per the select list the turn of the petitioners has not come up against the 50% vacancies and as such their cases were rejected fro the post of J.L.M."

Shri Ch.Satyanarayana has further averred that even though vacancies are available in the cadre of Lineman, Superintending Engineer, Operation Circle, Medak (hereinafter described as 'the Superintending Engineer') arbitrarily rejected their claim. In support of this assertion, the deponent has relied on notification dated 7-7-2000

issued by the respondents for recruitment of Ex-casual labour/Village Electricity Workers and Contract Labours.

The petitioners have invoked the doctrine of equality enshrined in Articles 14 and 16 of the Constitution of India and pleaded that the rejection of their claim for appointment as Junior Linemen or on any other suitable post is liable to be nullified, because the reason assigned by respondent No.2 for doing so is legally untenable.

In the counter affidavit filed by him, Shri C. Ashok Reddy, Superintending Engineer, Operation Circle, APCPDCL has given the details of vacancies in the cadres of Junior Lineman/ Lower Division Clerk/Typist/Sub-Engineer in Operation Circle, Medak and averred that the petitioners were not selected because they do not possess the prescribed qualifications.

I have heard learned counsel for the parties and perused the record.

The policy decision taken by the Board to consider ex-casual labour, village electricity worker and contract labour for appointment in the regular establishment envisaged consideration of the candidature of only those who possessed the prescribed qualifications. This is evinced from the contents of B.P.Ms.No.36, dated 18-5-1997, which is reproduced below:

(BY ORDER AND IN THE NAME OF A.P. STATE ELECTRICITY BOARD)

A.K. KUTTY

MEMBER SECRETARY"

Although the service regulations framed by the Board under Section 79(c) of the Electricity (Supply) Act, 1948 do not specify the qualifications for the post of Lineman, the same will be deemed to have been prescribed vide B.P.Ms.No.1048, dated 23-9-1989 read with Memo No.DP/DM-1/A2/762/94-1, dated 23-10-1994. For the sake of reference, the relevant portions of B.P.Ms.No.1048, dated 23-09-1989 and Memo dated 23-10-1994 are reproduced below:

"**B.P.Ms.No. 1048:**

Proceedings:

As per the existing O.S.S. Non-Statutory Rules the following are the qualifications prescribed for the post of Helper.

i) Ability to read and write.

ii) One year practical experience either in O&M/Construction works.

The above qualifications were prescribed in the year 1958 and continued as such till todate. But the time of prescribing the above qualifications there were no qualified candidates. But, in view of the above circumstances, several persons with academic qualifications and technical qualifications are available now. It is therefore

considered desirable to prescribe higher qualifications for direct recruitment of Helpers.

The A.P. State Electricity Board after careful consideration prescribes the following qualifications for the post of Helpers.

i) A pass in SSLC/SSC/10th class;
ii) A pass in ITI preferably with Electrician Trade or
iii) Vocational course in Electrical trade.

These orders will come into effect from the date of issue."

Memo No.DP/DM-1/A2/762/94-1:

The issue regarding re-designation of Helper is under consideration of the Board since long back.

2. After careful consideration the APSE Board directs that posts of 'Helper' in O&M/Construction establishment shall be redesignated as indicated below:

i) 'Junior Lineman' – in Operation circles/TLC/Construction circles etc;
ii) 'Junior Plant Attendent' – in Generating Stations/Projects.

3. However there shall be no change in functions and duties, service conditions etc; and these orders are only mere redesignation of the posts.

4. These orders shall come into force with immediate effect."

The petitioners have neither challenged the vires of B.P.Ms.No.1048, dated 23-9-1989 or Memo dated 23-10-1994 nor they have prayed for quashing the same. Therefore, their eligibility to be appointed as Junior Lineman will have to be determined with reference to the above reproduced qualifications.

In the affidavit filed by him, Shri C. Ashok Reddy, Superintending Engineer, Operation Circle, Medak has given the particulars of total number of vacancies as also the vacancies which could be filled in terms of the policy contained in B.P.Ms.No.36, dated

18-5-1997. The same are as under:

	100%	**50%**
1. JLM	198	99
2. LDC	132	66
3. Typist	10	5
4. Sub-Engineer	28	14

Shri Ashok Reddy has also specified the qualifications possessed by each of the five petitioners and the period during which they worked as contract labour and then averred that none of them possess the qualification of ITI, Electrician Trade, which is must for appointment on the post of Junior Lineman. For the sake of reference, the relevant extracts of the affidavit of Shri C. Ashok Reddy are reproduced below:

> "The first petitioner has submitted contractor's Service Certificate of M/s.Balaji Electrical Works, Siddipet, it has mentioned in the certificate that the petitioner is working as a H.V. Winding in their organization for the period from 15-08-1990 to till the date but the date of relief has not mentioned, the certificate has been signed by the ADE/TRE/SPM/Siddipet. The petitioner has passed the SSC qualification and belongs to BC-D and he has been served Speaking Orders vide this office Lr.No.SE/OP/ MDK/PO/ADM/C2/D.No.3024, dt.10-11-1999.
>
> The second petitioner has submitted contractor's Service Certificate of M/s.All and Sons Electrical Engineering Company, it has mentioned in the certificate that the petitioner is worked as Electrical Transformers repairing in their organization for the period from 1989 to 30-10-1995, the certificate has not signed by any officials of A.P. Transco. The petitioner has passed the SSC qualification and belongs to BC-A and he has been served with Speaking Orders vide this office Lr.No.SE/OP/MDK/PO/ADM/C2/D.No.3036, dt.10-11-1999.
>
> The third petitioner has submitted contractor's Service Certificate of M/s.All and Sons Electrical Engineering Company, it has mentioned in the certificate that the petitioner is worked as

Electrical Transformers repairing in their organization for the period from 1989 to 10-2-1995, the certificate has not signed by any officials of A.P. Transco. The petitioner has passed the SSC qualification and belongs to OC and he has been served with Speaking Orders vide this office Lr.No.SE/OP/MDK/PO/ADM/C2/D.No.3029, dt.10-11-1999.

The fourth petitioner has submitted contractor's Service Certificate of M/s.Laxmi Electrical and Mechanical Works, Siddipet, it has mentioned in the certificate that the petitioner is worked as Electrical Transformer assembling and H.V. Winder in their organization for the period from 02-02-1991 to 01-02-1999, the certificate has not signed by any officials of A.P. Transco. The petitioner has passed the 7th class qualification and belongs to BC-B and he has been served with Speaking Orders vide this office Lr.No.SE/OP/MDK/PO/ADM/C2/D.No.2090,dt.04-11-1999.

The fifth petitioner has submitted contractor's Service Certificate of M/s.Laxmi Electrical and Mechanical Works, Siddipet, it has mentioned in the certificate that the petitioner is worked as Electrical Transformer L.V. Winder in their organization for the period from 01-01-1992 to
01-02-1999, the certificate has not signed by any officials of A.P. Transco. The petitioner has passed the SSC qualification and belongs to OC and he has been served with Speaking Orders vide this office Lr.No.SE/OP/MDK/ PO/ADM/C2/D.No.2097,dt.04-11-1999.

The petitioners were applied for the post of JLM, it is observed in their applications filled by the individuals, one of the petitioner has passed up to 7th class and remaining other 4 petitioners were passed SSC qualification, which is not sufficient qualification to the post of JLM and they are not eligible for the other vacant posts i.e. LDC/Typist/Sub-Engineer, as the JLM vacancies are filled up with Ex-Casual labours and Village Electricity Workers. The petitioners are belongs to contract labours, and they have not possessed the qualification of ITI Electrical Trade. Hence, their cases could not be considered for the post of JLM as the turn for appointment against 50% existing vacancies has not come up as all the

vacancies are filled up with higher merit of man days and as per rule of reservation.

As per the results issued by the Chief Engineer, Elecy, Hyderabad Zone/Hyderabad this office has prepared merit list among the qualified and eligible ex-casual labours and Village Electricity Workers who were interviewed on 5th and 6th of November 97 for 150 candidates higher merits 99 candidates have been considered for appointment for the post of Junior Lineman among ex-casual labours and Village Electricity Workers and all the 50% of JLM posts were filled up. Further, it is to submit that one qualified Village Electricity Worker has been considered for the post of Typist against 5 posts and 2 Nos. of contract labours are filled up now there are 2 Nos. Typists posts are vacant and 3 Nos. Sub-Engineers posts are vacant due to non-availability of qualified candidates among the all candidates who were interviewed on 5th and 6th November, 1997 & up to
03-02-2003."

The petitioners have neither filed rejoinder to controvert the averments contained in the affidavit of Shri C. Ashok Reddy nor they have produced any evidence to show that they possess the qualification of ITI in Electrical Trade and that as on 18-5-1997 or at the time of consideration of their candidature, posts in cadres other than Junior Lineman/Lower Division Clerk/Typist and Sub-Engineer were available in Operation Circle, Medak. Therefore, it is not possible to find any fault with the decision of the Superintending Engineer not to entertain the candidature of the petitioners for the post of Junior Lineman or appoint them on any other posts.

A careful reading of the instructions issued vide B.P.Ms.No.271, dated 31-12-1997 makes it clear that vacancies in terms of the policy contained in B.P.Ms.No.36, dated 18-5-1997 were to be filled circle wise from among the persons who possessed educational and technical qualifications. Since none of the petitioners possess the

qualifications prescribed for the post of Junior Lineman and posts in any cadre other than those of Junior Lineman/Lower Division Clerk/Typist/Sub-Engineer, the rejection of their candidature cannot be dubbed as arbitrary or violative of their right to equality guaranteed under Articles 14 and 16 of the Constitution.

At the cost of repetition, I consider it proper to reiterate that the policy contained in B.P.Ms.No.36, dated 18.05.1997 envisages consideration of the candidature of only those who fulfill the prescribed qualifications, and, as none of the petitioners possesses the qualifications prescribed by the Board, the refusal of respondent No.2 to entertain their candidature for appointment as Junior Lineman cannot be termed as illegal.

In **State of M.P. v. Shyama Pardhi**[1], the Supreme Court considered the question whether termination of the service of an employee who does not possess the qualifications prescribed for appointment as Auxiliary Nurse-cum-Midwife can be declared illegal on the ground of violation of the rules of natural justice and answered the same in negative by making the following observations:

> "It is now an admitted fact across the Bar that the respondents had not possessed the prerequisite qualification, namely, 10+2 with Physics, Chemistry and Biology as subjects. The Rules specifically provide that qualification as a condition for appointment to the post of ANM. Since prescribed qualifications had not been satisfied, the initial selection to undergo training is per se illegal. Later appointments thereof are in violation of the statutory rules. The Tribunal, therefore, was not right in directing the reinstatement of the respondents. The question or violation of the principles of natural justice does not arise……."

In **Pabitra Mohan Dash v. State of Orissa**[2], the Supreme

Court held that the appellant who did not have seven years teaching experience essential for appointment as Head Master does not have any right to continue on the post despite the fact that his appointment was approved by the competent authority. Some of the observations made in that judgment, which have bearing on the case in hand, are extracted below:

> "Admittedly, with effect from 29-5-1977 Regulation 17 in the Board of Secondary Education has been brought into force which makes it obligatory for every institution to have a Headmaster who must be a Trained Graduate and must have 7 years of teaching experience as a Trained Graduate Teacher. If subsequent to 29-5-1977 any appointment has been made to the post of Headmaster contrary to the aforesaid provisions of the regulation then the said appointment would be invalid appointment and would not confer any right on the appointee. The expression "approval" used in the second direction in *Golakh Chandra Mohanty case* { (1993) 76 Cut LT 308 } is referable to the approval contemplated under Rule 8(2)(*b*) of the Recruitment Rules and, therefore, if there has been an approval by the Director then in such a case the appointment made after the prior approval would not be invalidated. The conclusion of the Special Bench that an approval of the Inspector is no approval in the eye of law is the correct position, and as such, does not require any interference by the Supreme Court. Moreover, a person who has been appointed as Headmaster-*in-charge* cannot claim any right on the basis of that appointment even if the same might have been approved by any competent educational authority. The in-charge Headmaster is not the same as the Headmaster of the school and it merely entitles a person to remain in charge and discharge the duties of a Headmaster."

In **A.Umarani v. Registrar, Coop. Societies**[3], the Supreme Court held that an appointment made in violation of the mandatory provisions of the statute and in particular, ignoring the minimum

educational qualification and other essential qualification would be wholly illegal and such illegality cannot be cured by taking recourse to regularisation. The Supreme Court further held that regularisation is not and cannot be the mode of recruitment by any "State" within the meaning of Article 12 of the Constitution of India or any body or authority governed by a statutory Act and the rules framed thereunder.

In **Mohd. Sartaj v. State of U.P.**[4], the Supreme Court held that the appellants who did not possess the requisite training qualification for appointment as Assistant Teacher cannot seek a direction for being allowed to continue in service.

The judgments of the Supreme Court in **Bhagwati Prasad v. Delhi State Minieral Development Corpn.**[5], **Air India Statutory Corpn. v. United Labour Union**[6], **Secretary, H.S.E.B. v. Suresh**[7] and of the Division Bench of this Court in Writ Appeal No.449 of 1999 decided on 23-4-1999 – **Transmission Corporation of A.P. Ltd. (formerly known as APSEB) rep. by its Secretary, Vidyut Soudha, Hyderabad v. R. Venkataramana and others** on which reliance has been placed by the learned counsel for the petitioners does not have any bearing on the issue of eligibility and entitlement of her clients to be appointed on regular basis in the services of A.P. Transco and, therefore, it is not necessary to deal with the same.

In the result, the writ petition is dismissed.

As a sequel to dismissal of the writ petition, WPMP No. 26715 of 2000 filed by the petitioners for interim relief is disposed of as infructuous.
